Some books from 3rd year will continue to be used. Some books bought in 4th year will last three years. The booklist is short as in some cases teachers will supply materials from time to time. Also many subjects are modular and don't not justify purchasing a text for the number of classes involved. Some books may be marked **Available in School (AIS)** and are to be purchased from the teacher in September. This is for a variety of reasons (e.g. to ensure same edition, or to facilitate late decision making or because the teacher is compiling the resources).

The booklist also indicates books which a student **Should Have (SH)** from last year. **There will be a cost charge for materials provided by teacher in lieu of books** (approx. €40 – 8 subjects). Books are available from: School Supply Centre, Rathfarnham Shopping Centre & Bookworld, Knocklyon Shopping Centre or other school bookstores.
