

Hello Rockbrook!

**An invitation from the principal of
Rockbrook Park School, Mark Hamilton, to an Introduction Day
for future students
on Friday, 8 March 2019 3.30–5.30 pm (3rd-6th class)**

Choosing a secondary school can be difficult for young people. On the outside all can look well, but what is it really like to go there? What do students who actually go there think? What are the teachers like? How will I get on?

Hello Rockbrook! is a two-hour introduction to Rockbrook Park School for 3rd to 6th class students who might wish to attend here. Students will meet present 1st and 2nd years who will explain the school to them and provide them with a tour of the school and grounds. They will also meet some teachers and have a short informal interview. Short tests in English and Maths will also be conducted.

Your son is welcome to come to this event. He is also welcome to bring a friend along if this will help make him feel at home. We only ask that you give us a ring (Greg on 4933204) or email enrolment@rockbrook.ie to book his place. Parents wishing to follow up on an application should contact Greg Costello in the following weeks.

The school will have an Open Day for parents and families on Sunday, 3 March at 3 pm. It is recommended that parents considering Rockbrook for their sons should attend an Open Day if possible.

Parents can drop off their son after 3.15 pm (event commences at 3.30 pm) & collect him again at 5.30 pm. Coming to this event does not involve a commitment to attend Rockbrook, but we request that all students planning to attend the School come to one such event. Parents intending to send their son to Rockbrook must meet with the principal in advance of a place being offered. Such appointments can be arranged through the school secretary.
