

## Subject Choices for 5<sup>th</sup> year (starting August 2019)

**Return by May 15**

Students are expected to do seven exam subjects in 5<sup>th</sup> Year.

Please indicate your preferred choice of seven subjects based on the groups below. **Please tick the relevant subject box.** Obviously if two or more subjects are in the same row as each other (that is in the same band) you must pick one of the subjects. Most students will be doing Irish English and Maths, so you generally will have four other subjects to choose. Otherwise you choose five bands. Please also mark the level (H higher/O ordinary) you expect to do in the subject.

These bands were drawn up following a consultation with the current class. This range of choice is not definitive. A final decision will be taken before the close of the current school year based on responses to these options. Students should consult with their form-master or with Mr Brennan (Careers) regarding implications of subject choices.
