

Supervised evening study 2019/20

Supervised evening study commences on Monday, September 2. It will take place on five evenings per week during school terms as follows: Sept 2 to Dec 18; Jan 7 to May 28 - excluding school holidays (i.e. 32 weeks).

Our view is that it is a great benefit to students at all levels, guaranteeing them that they develop good attitudes and good habits with regard to their homework. We therefore recommend it to all students. We also recommend that where possible students, especially exam students, should commit to the maximum number of days (five days per week).

The following regulations apply

1. Study Times: 4-15 to 7.00 pm on Monday, Tuesday, Thursday; 3.30 to 6.15 pm on Wednesday and Friday. **A short study option** for 1st and 2nd year, finishing at 5.45 pm (or 5.15 on Wed/Fri) is available also. Students on the short study option are expected to be there at least three evenings per week.
2. The study will be supervised at all times. No students are permitted to stay in the school unless under supervision. Full uniform must be worn. Music systems are not allowed.
3. A roll book will be taken and is always available for inspection.
4. The sessions are for individual study, and an atmosphere of silence is guaranteed.
5. Students should organise themselves so that they are not always going in and out to their lockers or distracting others. Students must study in the supervised area.
- 6.

	<i>1 day</i>	<i>2 days</i>	<i>3 days</i>	<i>4 days</i>	<i>5 days</i>
Cost for the full year	330	472	603	680	770
Short study option (1st, 2nd year)	510 per annum (for 3, 4 or 5 days)				

7. Students may pay via the annual standing order or by cheque payable to Rockbrook Park School. The cost for a fixed number of weeks is proportionately higher (+10% over annual charge). For example, a student committing to study for 3 days weekly for ten weeks would be required to pay 603 divided by 32 and multiplied by 10, plus 10% i.e. €207. Before commencing study, boys must have a signed form from the school secretary confirming their participation.
8. Students must be collected promptly at the end of study, as the school is usually locked up at 7pm (6.15 on Weds & Friday).
