

## Your school uniform is something to be proud of...

The school expects all students to wear the full uniform while on school premises and throughout the school day. While naturally students may *arrive* in school with additional clothing, as this depends on the weather, no additional clothing should be worn on top of the uniform *during the school day* (jackets of any type, body warmers, fleeces, hoodies, tracksuit tops, scarfs, neck warmers). Such items should be stored in lockers before 9.00am and left there for the duration of the day.

(If it is cold/wet outside, and a student wishes to wear something extra *while outside* during lunchtime, he may do so, but the extra items must only be retrieved from the locker at the start of lunch and returned to the locker *before 1.55pm.*)

Items such as these must not be worn  
during the school day over the uniform.

Tracksuit tops

Body warmers

Hoodies

Outdoor jackets

Hats

Scarfs

Neck warmers

*Etc..*
