

Rockbrook Park School — School Uniform (standard and PE)

Standard uniform

The uniform **jumper** and **tie** are ordered online from the website **www.uniformity.ie** — you can also opt to drop into their store in Sandyford (the advantage of this is, of course, that your son can try on different jumper sizes etc.).

The uniform is:

- | | |
|--|---|
| — School navy jumper with crest | Purchase from Uniformity.ie |
| — School tie | Purchase from Uniformity.ie |
| — Light blue shirt (1 st -4 th Year) | Purchase from Uniformity.ie OR at a store of your choice |
| White shirt (5 th & 6 th Year) | Purchase from Uniformity.ie OR at a store of your choice |
| — Plain mid-grey school trousers | Purchase from Uniformity.ie OR at a store of your choice.
<i>NB: trousers of a relatively thick material and ones that reach all the way to the shoes are recommended, as this will mean that the student will be a lot warmer in winter months.</i> |
| — Grey socks , crew model only; ankle socks are <u>not</u> permitted. | Purchase from Uniformity.ie OR at a store of your choice |
| — Black shoes | Please note, under the Parents tab of the school website, information about the types of shoes to buy (and the types not to buy) |

PE uniform

Each boy in 1st, 2nd and 3rd year should purchase the following as a package:

- School **tracksuit top**, fleece-lined inside
- School **tracksuit pants**
- School sports **t-shirt**
- School sports **shorts**

All the above will be in the school colours and each item will have the school crest. The cost of the package is €75 for all four items.

The dates that the supplier will be on-site in the school (at the end of August) have yet to be confirmed. On those dates, all you need to do is pop into the school with your son at a time that suits you, get him measured there and then, and leave with his new sports uniform without any guesswork on size. Naturally, you'll be buying with a view to his growth over the year. Payment will be on the day to the supplier, by credit card or cash.
